## MORE INFORMATION

### Fully orthopaedic mattress

This mattress has been designed to support your joints, back, and overall body to keep it comfortable and supported. Even if you don't experience orthopaedic pain currently, it's never too early to start looking after your body!

### Pick your bed size

This bed is available in your choice of size! Select your size above or check out all the dimensions below to help make your decision.

### Center zone support system

The center of your mattress is where the most support is needed. Your hips and lower back need support, and your mattress needs the support to prevent sagging. That's why this design is fitted with extra center zone support to make sure you (and your mattress) stay supported all night long.

### Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

### Cotton/polyester fire retardant cover

Stay safe and comfortable in bed with this mattress's fire retardant cotton/polyester cover that is both soft and durable, and a safe option for all homes.
