New Zealand pine timber

Of course our neighbours New Zealand supply the best quality pine on the market! New Zealand pine is natural, strong, and sustainable making it an ideal material for our designs. This pine accepts stains like a champ as you can tell from the gorgeous warm finish on this design.

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.

Get the trendy industrial look

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.
