Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Solid pine slats

Feel supported and comfortable all night long with this bed's inbuilt solid pine slats. Pine slats are flexible enough to allow for movement and adjustment while maintaining a firm support. In double or larger beds we add two separate sets of slats for either side. This allows for one side to adjust without affecting the whole bed, which means even if your partner is tossing and turning, you won't be!
