This piece is modern and trendy, but timeless enough to suit your room for years to come.

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.
