Mountain ash timber

Harvested from one of the most massive trees in the entire world, mountain ash timber is a material to not look past.

Mountain ash is a light coloured timber with a beautiful straight grain, giving it a distinctly clean and neat look.

This timber is incredibly durable and makes for a great addition to any room.

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.

Includes handy storage drawer/s

No matter how much storage your home has, it's just never enough! So we like to fit storage drawers in wherever we can and this design is no exception. Easily store away your knick-knacks and clutter to keep your space looking spic and span.
