Fan of this design but not the size? Search the product name and you'll find size option/s available right now to suit your space!

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!
