Get the trendy industrial look

Clean lines, metal meeting timber, bold silhouettes, and an overall 'cool' look typifies the industrial furniture trend. Popular in New York City lofts and that cool bar down the road, this trend is definitely here to stay.

Fully upholstered seating

This design is fitted with a fully upholstered seat back and base to give you that extra degree of comfort while you sit. It's just an added bonus that it happens to also look great.

Easy clean, well wearing material

We've fitted this design with easy clean material so you can stop stressing over everyday smudges, stains, and spills. This material also wears very well, meaning you can rest easy knowing it will keep its good looks for years to come.
