MORE INFORMATION

Dual pocket spring system

You'll drift off to sleep fully supported and aligned with the innovative dual pocket spring system. This dual system places one pocket spring inside the other offering two layers of springs to provide double the support, double the amount of pocket springs and one cozy night's sleep.

Double the springs, double the support

This mattresses innovative dual pocket spring system means you get double the springs in this mattress and double the comfort and support. Not too shabby!

Indulgent comfort foam

You'll be sleeping like a baby once you nestle into this mattresses indulgent comfort foam. This foam layering system has been specifically designed to create the perfect level of comfort and support necessary for a full night's sleep.

Organic cotton cover for ventilation

Stay cool all night long with this mattresses organic cotton cover. This handy and natural cover increases ventilation of your mattress to enhance airflow and keep you an optimal temperature all night long.

Center zone support system

The center of your mattress is where the most support is needed. Your hips and lower back need support, and your mattress needs the support to prevent sagging. That's why this design is fitted with extra center zone support to make sure you (and your mattress) stay supported all night long.
