## MORE INFORMATION

### Soft touch Syntech material

ComfortStyle's specialised Syntech material offers next level comfort, ultra soft seating, and a timeless look that you're sure to fall in love with.

### Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

### High back seating

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

### Picture for illustration purposes only

Please note the pictured design is for illustration purposes only. There may be variations in style or design.

### Easy clean, well wearing material

We've fitted this design with easy clean material so you can stop stressing over everyday smudges, stains, and spills. This material also wears very well, meaning you can rest easy knowing it will keep its good looks for years to come.

### Power mechanism

This beautiful recliner has an in-built power mechanism that allows for adjustable comfort at the press of a button. Effortlessly recline your seat and return it to the upright position with the easily accessible controls.
