Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Soft close drawer runners

Nobody, and we mean nobody, enjoys the sound of slamming drawers. So that's why we've ensured this design is fitted with soft close drawer runners to stop all slamming right in its tracks.

MDF/metal construction

MDF stands for medium-density fibreboard which is a denser form of plywood but with a flatter, more stable, and silky-smooth feel to it. This paired with metal accents makes this design both beautiful and resilient.

Includes handy storage drawer/s

No matter how much storage your home has, it's just never enough! So we like to fit storage drawers in wherever we can and this design is no exception. Easily store away your knick-knacks and clutter to keep your space looking spic and span.
