MORE INFORMATION

5 turn Bonnell spring unit

Bonnell springs are a classic spring unit used for many years in high quality mattress construction. These springs are made from hourglass-shaped 5 turn springs bound very closely together to create a whole lot of comfort. Bonnell springs are not only very comfortable, they're also very durable, very reliable, and very supportive. They're an all-round winner in our eyes!

Innerspring mattress

Innerspring mattresses are a classic favourite of mattress shoppers everywhere. Providing firm support and less heat retention than many other mattress types, innerspring mattresses are perfect for people needing extra support and anyone who tends to overheat overnight.

Perfect for overnight guests

Hosting guests and need extra bedding space in a hurry? This mattress is the perfect solution to your overnight needs

Roll away trundle design

Host overnight guests without hassle. Don't risk scratching your floor or ruining the carpet by pushing and pulling trundles around, this trundle comes with castors so you can easily roll it out and back in place! Too easy!
