MORE INFORMATION

Pocket on Pocket Spring

A combination of mini pocket and regular pocket springs create a very firm sleeping surface and provides exceptional spinal support.

Gel Memory Foam

This foam supports your core and the gel infusion helps transfer heat away from your body to keep you cool!

Convoluted Foam Layer

The premium quality convoluted foam layer adds comfort as well as helps heat dispersion by increasing air flow throughout the mattress.

Comfort Foam Layer

Your body and sleep style is unique, that's why the comfort layer of foam works over time to contour to your exact frame and sleeping positions.

Bamboo Charcoal Quilting

Helps to promote blood circulation throughout the body and also relieves stress and fatigue. Resulting in improved overall sleep quality.

Foam Box Construction

This design is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

Meets CertiPUR-US Standards

CertiPUR-US is an international standard for foam production which ensures all the foams are safe and do not contain any nasty chemicals!
