MORE INFORMATION

Mountain ash timber

Harvested from one of the most massive trees in the entire world, mountain ash timber is a material to not look past. Mountain ash is a light coloured timber with a beautiful straight grain, giving it a distinctly clean and neat look. This timber is incredibly durable and makes for a great addition to any room.

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.

Sturdy metal handle/s

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.

No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!

Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.
