MORE INFORMATION

Pick your size

Fan of this design but not the size? Search the product name and you'll find size option/s available right now to suit your space!

2 USB charging ports

Never let your devices run out of battery with the incredibly handy inbuilt USB charging ports! Just plug in your charging cord and device and kick back as you watch it charge.

Handy wireless remote with torch

Don't get tangled up in wires and cords when you're trying to relax! This bed is fully controlled by a handy wireless remote that even has an in-built torch!

Adjustable Head and Foot Elevation

Fully remote controlled!

Forget fumbling around in the dark for controls on the side of your bed, this bed is 100% remote controlled! Lay back, and at the touch of a button you can customise your comfort!

Adjust your head and foot height

Don't adjust your body to your bed, adjust your bed to your body! This bed has head and foot lift mechanisms to help you find the exact angle and height you need to reach optimum comfort.
