MORE INFORMATION

Gas lift mechanism

When it comes to seats, one size doesn't always fit all. That's why we've ensured that this design is fitted with a gas lift mechanism that lets you adjust your sitting height at the pull of a lever.

Swivel seat

Get the full 360° view of your space with the ultra handy built-in swivel seating.

High back seating

Sit back and relax with this design's high back seating, designed for extra support and comfort (the fact that it also looks elegant and sophisticated is just an added bonus!)

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Adjustable arms

Adjust the arms on this seat to your body and ideal comfort level with the flexible (and very handy) arm height and angles.

Adjustable office chair headrest

Sitting at a desk all day can wreak havoc on your neck and back. So protect yourself from unnecessary pain with this in-built adjustable neck support!
