## MORE INFORMATION

### Flip up center headrest compartment

On the outside it may look like your run of the mill lounge, but once you flip up the center console you'll unveil an ultra handy center console with lights, cup holders, a drinks tray, storage compartment, and charging station! Quite the hidden gem!

### Features adjustable lights

This design is fitted with adjustable lights to help you with some late night reading, the find the remote jammed between cushions and blankets, or to just light up your living room in the evening! Ultra handy.

### Premium Rhino fabric

Rhino fabric is made from 100% polyester, is 600 denier (very thick and durable), and water resistant! So fear not, this design is definitely not made of Rhinos, but it's definitely just as strong and resilient as one!

### Power mechanism

This beautiful recliner has an in-built power mechanism that allows for adjustable comfort at the press of a button. Effortlessly recline your seat and return it to the upright position with the easily accessible controls.

### 2 USB charging ports

Never let your devices run out of battery with the incredibly handy inbuilt USB charging ports! Just plug in your charging cord and device and kick back as you watch it charge.
