MORE INFORMATION

Premium Rhino fabric

Rhino fabric is made from 100% polyester, is 600 denier (very thick and durable), and water resistant! So fear not, this design is definitely not made of Rhinos, but it's definitely just as strong and resilient as one!

Power mechanism

This beautiful recliner has an in-built power mechanism that allows for adjustable comfort at the press of a button. Effortlessly recline your seat and return it to the upright position with the easily accessible controls.

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!
