MORE INFORMATION

7 Zone Pocket Spring

Features 7 specialised zones of resistance designed to provide relief where you want it and support where you need it.

Gel Memory Foam

This foam supports your core and the gel infusion helps transfer heat away from your body to keep you cool!

Natural Latex

Natural latex provides support and contoured relief making it not only very functional but very very comfy. A perfect natural choice!

Soft Foam Layer

This foam layering system has been specifically designed to create the perfect level of comfort and support necessary for a full night's sleep.

Bamboo Charcoal Quilting

Helps to promote blood circulation throughout the body and also relieves stress and fatigue. Resulting in improved overall sleep quality.

Foam Box Construction

This design is fitted with a high density foam box that runs around the outer edge of the mattress to provide full edge support.

Meets CertiPUR-US Standards

CertiPUR-US is an international standard for foam production which ensures all the foams are safe and do not contain any nasty chemicals!
