MORE INFORMATION

3 zone pocket spring system

Support your spine throughout the night with the innovative 3 zone pocket spring system that provides 3 areas of individualised support for where you need it most

Minimal partner disturbance

If your partner tossing and turning at night sometimes wakes you up, this mattress will be a dream come true for you. This design is purposefully crafted to ensure minimal partner disturbance, so that you can both enjoy uninterrupted Z's.

Natural latex layer

Natural latex provides support and contoured relief, making it not only very functional but very very comfy. A perfect natural choice!

Pillow top design

Drift off to sleep in seconds with this design's plush pillow top that adds a significant degree of comfort and support to keep you comfy and cozy.

Non-flip mattress

This mattress is fitted with a supportive base and plush, comfortable layers on top so you can forget having to flip your mattress to keep it comfy.

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.
