5 zone computec engineered spring

Our series 5 heavy duty Bonnell spring system is designed by computer generated technology for high resilient support.

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

Everlast insulation

Heavy duty pad insulates the spring to protect against foam wear and provide enhanced internal support.

Progressive support technology

Our mattresses are specifically engineered to provide comfort at the top of the bed and firmer support towards the spring, allowing the sleeper with a long lasting progressive feel.

Non-flip mattress

This mattress is fitted with a supportive base and plush, comfortable layers on top so you can forget having to flip your mattress to keep it comfy.
