5 zone contour response pocket spring

Our pocket spring system provides individual support and uniquely conforms to your bodies shape whilst targeting pressure relief in the hip and lumbar area.

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

High spring count

768 individual pocket coils provide individual support for the concerned sleeper.

Progressive support technology

Our mattresses are specifically engineered to provide comfort at the top of the bed and firmer support towards the spring, allowing the sleeper with a long lasting progressive feel.

Minimal partner disturbance

If your partner tossing and turning at night sometimes wakes you up, this mattress will be a dream come true for you. This design is purposefully crafted to ensure minimal partner disturbance, so that you can both enjoy uninterrupted Z's.
