7 zone contour response pocket spring and mini pocket spring

Our pocket on pocket spring system provides individual support and uniquely conforms to your bodies shape whilst targeting pressure relief in the hip and lumbar area.

Edge Care comfort plus

High density polymeric foam box construction provides full edge support creating luxurious comfortable feel whilst maximising the sleeping surface.

ViscoCare gel foam

Do you sometimes overheat during the night? ViscoCare gel foam infuses memory foam with gel particles to help prevent you from getting too cold or too hot overnight. On top of that, it also provides better support, breathability and body contouring!

Progressive support technology

Our mattresses are specifically engineered to provide comfort at the top of the bed and firmer support towards the spring, allowing the sleeper with a long lasting progressive feel.
