

Bring some natural beauty and style to your dining room with the Olsen dining table! This stunning table is made from Acacia timber, a durable and sustainable wood that showcases the rich grain and colour of the material. The Olsen dining table has a simple, yet elegant design, with a smooth, rectangular top and sturdy metal legs. It can comfortably seat up to six people, making it ideal for family meals, gatherings, or entertaining!

MORE INFORMATION

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!
