

Looking for something a little bit fancier? The Hybrid Element builds on the already brilliant Zeek Hybrid Mattress, cleverly adding extra layers of foam, Copper & Graphite for even better support, heat regulation and top-notch antimicrobial properties.

DIMENSIONS

1830W x 2030L x 350H

MORE INFORMATION

Pick your bed size

This bed is available in your choice of size! Select your size above or check out all the dimensions below to help make your decision.

7-zone spring system

Targeted support. Less pressure. More comfort and minimal partner disturbance all makes for a great night sleep!

Your mattress just got cooler!

Thanks to the amazing thermal regulating powers of Graphite foam!

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

Goldilocks approved

Rigorously tested to be not too firm, not too soft, but just right

Copper Air Memory Foam

Contours to the body and provides optimal pressure relief and alignment whilst also offering excellent thermal conductivity to help regulate heat

Don't sweat it

We use a Copper Tencel fabric cover that helps with temperature regulation, breath-ability, and moisture-wicking
