### Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

### Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!

### Sturdy metal handle/s

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.

### Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.

### No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!
