Matching product range available

Looking to complement this design with another? We've planned ahead for you. We offer a matching product range under the same name - give it a search and start mixing and matching!

Plantation grown acacia timber

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!

Easy to assemble

Forget spending hours trying to make sense of indecipherable assembly instructions, this design is very easily assembled so you can spend less time decoding and more time admiring your new addition.

Wooden knobs

We've affixed strong and sturdy wooden knobs to this design to keep it solid and secure as well as looking great.

Includes plenty of storage nooks

If you're like us, no storage is ever enough storage! Stash away clutter and keep your room looking lovely with the storage shelves, nooks, and crannies.

Full extension ball-bearing runners

Ball bearing runners ensure that your drawers will always open and close smoothly and with ease.
