MORE INFORMATION

Pick your colour

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

Contemporary look

We scour Pinterest boards, Instagram feeds, and all the latest trends to find cutting edge contemporary looks and designs to supply to you and we believe this design captures all of the best bits of that research. This piece is modern and trendy, but timeless enough to suit your room for years to come.

Ideal for small spaces

This design is compact in width making it perfect for smaller spaces. But what it lacks in width, it well and truly makes up for in style.

MDF/metal construction

MDF stands for medium-density fibreboard which is a denser form of plywood but with a flatter, more stable, and silky-smooth feel to it. This paired with metal accents makes this design both beautiful and resilient.

Upholstered seat pad

Nobody likes an uncomfy seat, so we've made sure this design is fitted with a plush seat pad to make sure you're sitting pretty (and comfortably) for years to come.
