

The Slumber Essential is the perfect mattress for those who are looking for a firm, supportive mattress, but don't want to break the bank. Using Bonnell spring technology, this mattress has a centre third support system, and you'll never have to flip it!

DIMENSIONS

1830W x 2030L x 220H

MORE INFORMATION

Pick your bed size

This bed is available in your choice of size! Select your size above or check out all the dimensions below to help make your decision.

5 turn Bonnell spring unit

Bonnell springs are a classic spring unit used for many years in high quality mattress construction. These springs are made from hourglass-shaped 5 turn springs bound very closely together to create a whole lot of comfort. Bonnell springs are not only very comfortable, they're also very durable, very reliable, and very supportive. They're an all-round winner in our eyes!

Center zone support system

The center of your mattress is where the most support is needed. Your hips and lower back need support, and your mattress needs the support to prevent sagging. That's why this design is fitted with extra center zone support to make sure you (and your mattress) stay supported all night long.

Full perimeter edge support

Edge support is what prevents sagging around the edge of your bed that is sometimes caused by sitting or sleeping on the edge of your bed. With full perimeter edge support you can sleep easy knowing your mattress will stay perfectly in shape for years to come.

Comfort Foam Layer

Your body and sleep style is unique, that's why the comfort layer of foam works over time to contour to your exact frame and sleeping positions.
