Mountain ash timber

Harvested from one of the most massive trees in the entire world, mountain ash timber is a material to not look past.

Mountain ash is a light coloured timber with a beautiful straight grain, giving it a distinctly clean and neat look.

This timber is incredibly durable and makes for a great addition to any room.

Upholstered seat pad

Nobody likes an uncomfy seat, so we've made sure this design is fitted with a plush seat pad to make sure you're sitting pretty (and comfortably) for years to come.

No assembly required

Ditch the complicated assembly booklets and save your time because this design comes fully assembled!

Wire brush finish

Wire brushing creates a subtle but smooth texture to timber or metal while keeping it pleasant to the touch. This process both adds a stylish textured effect to your piece as well as increasing the durability and masking any small scuffings.
